## Rosary Hill Home

In 1896, Rose Hawthorne, convert daughter of Nathaniel Hawthorne, left the luxury and ease of the intellectual society into which she was born for the poverty-stricken society of cancer sufferers in the slums of New York. With Alice Huber, who soon

joined her, she worked, nursed and suffered, sometimes almost beyond endurance, yet always with a firm trust in God and deep interior peace.

Slowly, and with great difficulty, their charitable work grew from four rooms on Water Street to six modern Homes where thousands of poor are cared for annually.

Since 1961 the Union has been collecting for Rosary Hill during the Christmas season .Please look for the flyers for this upcoming seasons fundraising drive. If you wish to make a donation please make the check payable to "Rosary Hill" and forward it to the Union Office at:
